Carolyn Ayres

My Joy is the exploration of the Tarot with others, that we, together, may discover our Paths of Light. It is my hope that as we All come more into our own Light that others will be attracted by its loving pull of possibility. In this way we all become agents of change. We can then take the responsibility of creating a new paradigm of Love, Peace and Abundance for All.

News: I love this time of year when I can slow down and hibernate a bit. As the New Moon Message says: Rest Relax Release! I definitely need to rest before I gear up again in January. Message for the Second New Moon of November 2024

Rest...Rest...It is time to release the rushing, the climbing, the straining...

Release... Let go of all expectations so that you may receive What Will be Given.

What are your true desires? What Will you? In order to receive what you Desire, it is necessary to let go of all that came before. All you thought you needed...All that was supposed to be.

Let go and allow What Will Be to come through you. For you All are Conduits of Creation. Allow your desires to integrate with the Desire of Greater Consciousness.

Relax... Breathe...This stressing and straining is not good for you. There is no Joy in holding on to something that no longer exists. The past is gone. The future is unknown. Allow the unknowing. Allow loss of what seemed so important but is no longer. Free yourselves from the shackles of what has always been. This is a fantasy. Nothing ever stays the same. All is in constant movement. The atoms vibrating as you and everything in the world, are always moving, shifting, opening to What Will Become.

Allow your Becoming without understanding what that might be. You are immortal. You are pure energy. Give way to your innate desire to be what you are. Energy, Love, Joy...

Stay in the moment. Notice when you are pulled away from Presence.

Be without judgment, first of yourselves and then everyone else. Huge changes are upon you. You are all in the whirlwind of a Great Becoming.

Rejoice! Be Glad! Don't let what you see as "wrong" or "evil" keep you from your authentic expression of Compassion, Kindness and Love.

New Moon Reading Questions

I ask what We, as a collective of souls, can learn from the message I received

Reading for the Tribe for the Second New Moon of November 2024

Card One

For this email collective, this Tribe, with its stressing and straining.

Card Two

Asking: How to release, relax and allow What Will Be?

Card Three

Asking: What wants to come through with our Releasing?

Card Four

Asking: How to give over, surrender to What Will Be?

Card One

**For this email collective, this Tribe,
with its stressing and straining.**

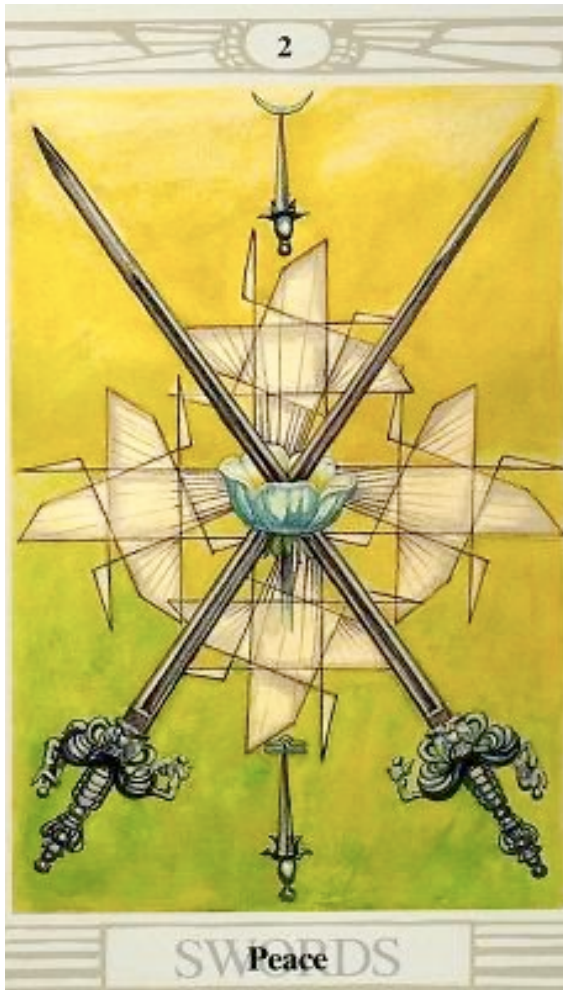

You can look at the **Four of Swords** in two different ways because of how I worded the above statement. This card is about the mind resting, relaxing so one could say: We are all doing really well in this moment. Or, we could say: This card is telling us all to meditate! Practice Presence! Quit trying to figure it all out... Give your minds a rest. (-: Allow a Truce and open to what wants to bloom in your mind. Either way, we know we cannot control our circumstances with our minds. We all know worrying and stressing is not good for us. Everyone on this email list understands that practicing the release of thinking and strategizing will help us to access Joy!

Card Two

**Asking: How to release, relax and
allow What Will Be?**

The Wands in the Tarot are pure JOY for no reason and Threes in the Tarot are the gestation of the Intention of Creation. So, how to relax with the fiery **Three of Wands**? This Joyfilled Divine Fire? This Passionate Creative Will? The core of our vibrational Being? Be pregnant with possibility which goes well with the **Four of Swords**. For unless we can focus our minds, we cannot be open to this JOY of the Cosmos. When we quiet the mind, we can hear, feel and know the this Joyous Calling. So our part is to take care of ourselves, gestate the Cosmic Will so that we, as Its conduit, can birth its Cosmic Intent of Love into manifestation.

Card Three

Asking: What wants to come through with our Releasing?

Notice the word on this **Two of Swords**, *Peace*. And isn't this what we all desire? Peace within and without? The **Two of Swords** and the **Four of Swords** are very similar. They both ask us to lay aside the mind. With the **Two of Swords**, we come face to face with duality, choice, which can create conflict. But this opposition is needed to birth anything we desire. We need the Dark and the Light, the yin and the yang, the masculine and feminine energies to create in physical reality. When we can sit with opposite ideas, beliefs and philosophies, we can give birth to something beautiful, the blue lotus, which might be called Peace.

Card Four

Asking: How to give over, surrender to What Will Be?

The **Princess/Page of Disks/Pentacles** as the human of the Tarot is always pregnant because we humans are the Conduit of Creation. We are constantly giving birth to our desires here in physical reality, unconsciously or consciously, with our feelings and thoughts. So when we sit and encourage our minds to come to a Truce, when we become conscious of our thoughts, **Four of Swords**, we make room to gestate the Desire of the Cosmos, What Will Be, **Three of Wands**. By giving over to Higher Desire, we can then find Peace, **Two of Swords**, and give birth to that which is pure and uncorrupted by humanity's egoic fear, the Virtue of the **Three of Wands**. Humanity, as the **Princess/Page of Pentacle/Disks**, is gestating this knowing of what we truly are: A vibrational conduit for the Universal Mind. This is why we All came here at this momentous time, to receive the Higher Consciousness, so that we can move beyond the fear and doubt of our human mind.

**Now it's your turn.
Do this month's reading for yourself to see
where you, as an individual, can contribute
to the whole.**

As always I welcome your
ideas, questions and comments.
